

sentence in the first paragraph on page 8 should have read "Further, as noted on page 35 paragraph 3 of the amendment in the parent [present] application, ..." The word "present" was mistakenly typed instead of "parent." As you can note, the Amendment of August 25, 1997, in the parent application Serial No. 08/512,302 (that is, issued U.S. Patent No. 5767,845) for which the present application is a request for a reissue, the language quoted is set forth at the beginning of the third paragraph on page 35 of that amendment.

It is believed that this explanation places the case in condition for allowance.
